

## Gross pay, commission & piecework

/ 10

1. Astrid works in the oil and gas industry near Fort McMurray, Alberta. She earns \$28.30/h and makes **double time** for hours worked beyond 40 each week. Calculate Astrid's **gross income** for 45.25 hours worked last week. (3 marks)

2. Sarah worked the following hours last week:

Monday	Tuesday	Wednesday	Thursday	Friday
8	6	10	7	8

She is paid at the regular rate of \$9.80 per hour and time-and-a-half for anything over 8 hours per day. Find her **gross pay** for the week. (3 marks)

3. Hailey works for a furniture company. She receives a salary of \$230.00 per week plus a commission of 1.5% on sales. During one week she sold a bedroom suite for \$1560.00 and a sofa for \$985.00. Calculate her **gross pay** for the week. (2 marks)
4. The Cupcake Company pays \$10 for every 12 cupcakes made. If a worker bakes 162 cupcakes each day, calculate the gross pay at the end of a five-day week. Payment is made at the end of the week and partial sets of 12 cupcakes are counted. (2 marks)
